GRAVE MARKER / HEADSTONE SETTING & MISCELLANEOUS FEES

Please see the enclosed Grave Marker/Headstone Policies and Procedures for rules on grave markers/headstones. It is the responsibility of the purchaser to confirm that the type of grave marker/headstone chosen is allowed on their location.

Ararat Armenian Cemetery will not accept delivery of any marker for which the setting fee has not been paid. Headstones/markers should be delivered by the headstone vendor between 8:00 a.m. and 2:30 p.m., Monday through Friday. The Cemetery office must be notified, in person or by phone, when a headstone/marker is delivered. We are not responsible for headstones/markers that are delivered without proper notification to the office.

A handling fee of \$150 - \$300 will be added to the setting fee below for any headstone that is delivered by anyone other than the headstone vendor or an authorized delivery service (e.g., UPS, FedEx). This fee also will be added for any headstone which the Ararat Armenian Cemetery maintenance staff assists in unloading from the delivery vehicle.

Headstone delivery by anyone other than the headstone vendor or authorized delivery service requires an appointment with the Cemetery office.

There are separate headstone setting fee schedules for different types of headstones (flat, pillow top, upright without a base, or upright with a base). If you are uncertain which fee applies to your headstone, please contact the Cemetery office.

***All headstones MUST BE APPROVED by the Ararat and Masis Ararat Armenian Cemetery
